

# TENDER NOTICE

## The African Centre for Technology Studies (ACTS)

The African Centre for Technology Studies (ACTS) is a pioneering development research think tank, established in 1988 and mandated to support African countries and institutions to harness science, technology, and innovation (STI) for sustainable development in Africa. Currently, ACTS is delivering on this mandate through five programs – Agriculture, Food and Nutrition Security (AFNS), Climate Resilient Economies (CRE), Science, Technology, Innovation, Knowledge and Society (STIKS), Digital Economy (DE) as well as Gender, Youth and Inclusive Development (GYID).

ACTS is a partner of the Africa Centre of Excellence for Sustainable Cooling and Cold-Chain (ACES). ACES, which is based in Kigali, Rwanda, is a consortium of several partners and is a first-of-its-kind Centre dedicated to sustainable, smart cold-chain, cooling, and post-harvest management (PHM). ACTS is partnering with ACES to develop the first Community Cooling Hub (CCH) in Kenya to demonstrate sustainable cold chain solutions in the agricultural sector.

ACTS hereby invites eligible bidders to submit bids for the procurement of the following items which shall be used during the implementation of the project.

1. Supply of One (1) Double Cabin Pick-Up Truck.
2. Supply of Two (2) Refrigerated Trucks.
3. Supply & Maintenance of Two (2) Mobile Cold Storage.

*Bidders should request for tender documents for each item separately.*

The detailed tender documents are available upon request from the Procurement Officer via email: **[procurement@acts-net.org](mailto:procurement@acts-net.org)**
